

21 Days of Prayer

Kids Edition

Week 2

Hey Parents,

Today starts week two of 21 Days of Prayer - Kids Edition.

Help get your kids into the habit of praying and studying the Bible everyday by encouraging them to complete these daily devotions. Included in this packet is seven days worth of devotions just for your kids. These devotions are the kids version of the devotion that was given to you, so you will be learning the same things.

Here's how it works:

Have your kids read (or if they are younger read for them) the devotion and the accompanying Bible* verses. Be on hand to explain anything they may not understand.

They should then read the prayer and add anything else they want to say to God.

Then help them journal their answers to the reflection questions and write their own thoughts about what they read. (For younger kids, have them draw pictures).

Finish off with the daily activity. Keep in mind some of the activities may require a few supplies. Make sure you have them on hand.

Make sure your child comes home next week with the week 3 set or find it in the Church Center App.

* Don't have a kid's Bible at home? Go to biblegateway.com or download the Youversion Bible from your app store. Search through the various Bible versions to find your favorite. We recommend the International Children's Bible (ICB).

Day 8

Prayers for Leaders!

- When we ask for it, God gives us the wisdom to make all the right decisions. It is then up to us to make them.
- There will be a time when you have to make a hard decision and you may not know what to do. Ask God and He will guide you to the answer.
- We also want the leaders in our lives to choose wisely when making decisions that may impact us.
- So today, we will pray for our parents, teachers, pastors, babysitters, and others to have Godly wisdom in all their choices. This way they can lead us where God wants us to be!

Read Aloud Scriptures

James 1:5 (ICB)

But if any of you needs wisdom, you should ask God for it. For is generous. He enjoys giving to all people, so God will give you wisdom.

Proverbs 2:6-7 (ICB)

Only the Lord gives wisdom. Knowledge and understanding come from Him. He stores us wisdom for those who are honest. Like a shield, He protects those who are innocent.

How to Get Wisdom

For this activity you will need:

- * **A Board Game**
- * **Other Players**

How did you know the proper way to play the board game?
Simple. Either you read the instructions, or someone taught you how to play.

This is a perfect example of how you can get wisdom any time you need it. You can read the instructions - the Bible, or you can ask someone in your life who may have the answer - someone like a parent, teacher, or pastor.

God will always give you wisdom when you seek it out!

Day 9

Seek God's Direction

- Maps were made to guide us to places we are unfamiliar with. We may have a destination in mind, but we need the map to tell us how to get there.
- The future, and all the things we want to accomplish in it, is an unfamiliar place. So we need a map to help us find our way.
- God is our map. He and His Word will guide us to all the places we need to go.
- It is important that we study and learn God's Word so that we can know what steps to take and which direction to go.
- Sometimes we may want to follow our own direction because we think it might be easier. Just remember there is a reason that God may send us a different way. In the end, you will see that His way is so much better than your own.
- Follow God's map, His direction, with an obedient heart!

Read Aloud Scriptures

Proverbs 3:5-6 (NLT)

Trust in the Lord with all your heart; do not depend on your own understanding. Seek His will in all you do, and He will show you which path to take.

The Lord says, "I will guide you along the best pathway for your life. I will advise you and watch over you."

Day 10

God Provides

- Sometimes in life we worry that we will not have enough of the things we need.
- We all have dreams and wants and needs that we are believing God will provide for.
- But when we don't get all the things right now, we start to think that we never will, that God will never help us.
- We have to remember that God loves us and that His timing is perfect. He will make sure you have all you need when you need it.
- God has plenty to give us and will make sure that we do not go without the things we need.
- Trust in Him to provide for you and your family, then you do well with the things He give to you.

Read Aloud Scriptures

Philippians 4:19 (ICB)

Day 11

Be Willing and Obedient!

- One of the biggest ways we can show our love to God is by obeying Him.
- There are times in our lives where we would rather do things our way instead of listening to God.
- But when we choose God's way instead of our own it shows Him just how much we love and trust Him. Jesus says in John 14:21, "He who knows my commands and obeys them in the one who loves me."
- We can show honor and respect to God by choosing to do things His way.

Read Aloud Scriptures

Day 12

God's Protection

- We all need protection.
- Sometimes we need protection in our relationships, or in who we are. Sometimes we need protection physically.
- We all need protection, and we all have it in God.
- No matter how scared you may be or how bad things may seem, you are safe in the arms of God.
- There is nothing that can take us out of those arms, so there is nothing to fear.
- So go and live your life unafraid of the enemy, because he cannot touch you.

Day 13

God's Favor!

- What is your favorite color? Food? Game?
- We all have things in our lives that are our favorite, and we give more time and attention to those things. How many things do you own that are in your favorite color? How often do you want to eat your favorite food? How much do you play your favorite game?
- We all look at other people and sometimes see something about them that we want for ourselves - maybe their hair color, their confidence, their friends, etc.
- When we look at Jesus there is a trait in Him that we should all want - Righteousness.
- Righteousness means to live right how God wants us to.
- We can never be completely righteous on our own. We are too flawed. But when we ask Jesus into our hearts, we are given His perfect righteousness.
- And when we are given the righteousness of Jesus, we also become His favorite.
- He shows us that favor in many ways. Blessings, wisdom, friendships, good jobs, etc. are only a few of the ways He shows His favor to us.

Day 14

Stronger Together!

- We are stronger when we are together!
- Sometimes we face problems that are too big to face alone, but when we have others there to help us, it gets much easier.
- Today, we want to pray that all the members of Landmark will come together to make our church a stronger and better place than it already is!
- When we all come together as a church, we will be able to make a huge impact on our city and our world.
- Let us pray that we will have good relationships with each other, that we will help each other, that we will play together, laugh together, cry together, encourage each other, and always be there for each other.
- God made us to be together. We belong together!

Read Aloud Scriptures

1 Corinthians 1:10 (ICB)

I beg you, brothers, in the name of our Lord Jesus Christ. I beg that all of you agree with each other, so that you will not be divided into groups. I beg that you be completely joined together by having the same kind of thinking and the same purpose.

Tug-of-War

For this activity you will need:

- * Friends are family to play with you. (The more the merrier!)**
- * A rope**

Go outside in an open area and play a game of tug-of-war, but divide the players so that on one side A there is only one person and on side B is everyone else.

You will quickly see how hard it is for the person alone to win the game.

One at a time, have people switch from team B to team A. Soon it will become very easy for team A to win the game because everyone is together.

Now play the game in the traditional manner and have fun together with all your family and friends!
